Discussion of possible projects the Town of Hayden may wish to apply for using the Community Development Block Grant Program

Mr. Urban reported to the council that at this 1st public hearing the council and public will make suggestions for the CDBG Projects. Once they have decided on a list of projects at this hearing, they will not be able to add to the list. The council will have several months before they need to have the 2nd public hearing and at that hearing they will need to pick the project they want to have done. He told the council that they will have approximately \$227,000 to work with. The reason they will receive this amount is because they are in a three-year cycle with The Town of Kearny and the Town of Winkelman. He reminded the council of the previous projects they have done through the CDBG Funding. He mentioned a couple of other grants that can be applied for that have different guidelines than the CDBG's guidelines. The items that were suggested for this CDBG Projects are:

1. Housing demolition and abatement project
2. Water system improvements project
3. Street curbing improvement project – Mr. Urban asked that they might want to talk with the staff to find out where they are having water issues for this project.
4. Sidewalks improvement project
5. Sewer system upgrades (manholes, pumps, lift stations, etc.)
6. Bobby Bracamonte Field and Hastings Park Complex improvement

The CDBG Public Hearing ended at 6:10 p.m.
