

ARIZONA DEPARTMENT OF REVENUE

PROPERTY MANAGEMENT COMPANY FREE CLASSES

The Arizona Department of Revenue will have a new transaction privilege tax (TPT) electronic filing program in place for property management companies (PMCs) by the start of 2018. The new Residential Rental Bulk Upload Program will improve the TPT filing process for property management companies, allowing a PMC to report and remit tax to each client's TPT license.

Starting with the January 2018 filing period, PMCs will be able to file and pay transaction privilege tax on behalf of their clients using the new electronic filing program. PMCs will be able to begin licensing to participate in the new program after November 1, 2017.
