Consideration to approve scheduling a Town Forum for citizens and police department.
Mayor Smith told the council that when he had met with the police officers, there were some concerns that the citizens were not aware of their jobs and what procedures need to be followed in performing their duties. He talked with Chief Tartaglia about having a Town Forum for the citizens to be able to ask questions and get answers to some of their concerns. They would like to include the dispatchers, Kearny Chief of Police and Mayors from Town of Winkelman and Town of Kearny. Chief Tartaglia said that he thought the first meeting would be for the officers to introduce themselves to the citizens and explain what is done from the time they receive a call from dispatcher and the time frame of the events that follow receiving the information from the dispatcher. Everyone will be invited to attend the meeting.
