ROLL CALL

Consideration to appoint signers on an old account that may or may not have funds in the account from Bank of the West. Previous signers no longer works with the town and an audit is being performed in reference to currency in Property/Evidence and a money order issued to the Gila County Attorney's Office.

Sergeant Blue told the council that this account was opened and money from evidence was deposited into this account. Vice-Mayor Munoz asked if the account was going to be closed. Sergeant Blue said that he might keep it open to keep the money from evidence in this account until they can find out where money belongs. The money will be advertised in the paper for 30 days and if no one claims the money in this time then the money goes into the General Fund. Vice-Mayor Munoz said that they should check with the auditor to find out what he recommends. Since the town has closed accounts with Bank of the West, maybe an account can be opened with Wells Fargo. Council Member Hetrick moved to appoint Mayor Smith and Vice-Mayor Munoz as signers. Council Member Lopez seconded the motion and the motion carried. 6-0

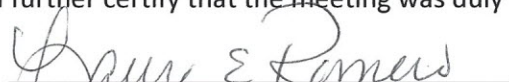

Adjournment
